

Registration

for Fliegl Trailers

Guarantee Regulations:

The after sales check up's are practicable after an arrangement with the Fliegl Company in Triptis or a factory of a service partner, which is authorized by the Fliegl Company.

If the Service check ups are not done, the guarantee of the trailer (100.000 Km or 1 year after handing over the trailer) expires. After the guarantee period it is advisable to carry out service check ups every 50.000 km or every 6 months.

East Europe	
Offroad / building sites	

Within the first 2.000 - 5.000 Km and after every change of the traction engine, a braking power - engine adjustment needs to be done, to achieve the optimum braking power distribution between the engine and Trailer.

Please send this form completely filled in (* = compulsory information) to Fliegl Fahrzeugbau GmbH or Fliegl subsidiaries for registration. The Fliegl Guarantee is only valid if the Trailer is registered by the owner/user of the Trailer.
